

Introducing ebooks from OverDrive: Your library from home!

Region 18 is excited to announce that we now have ebooks available for checkout to our students. All elementary students from Mile Creek and Lyme School can access the books the following ways:

**If your child is in Kindergarten or First Grade:
Check out books through Clever using the Sora app.**

Simply log into Clever and click on the Sora app. You can search for books, check them out, and return them all in the app! Our collection includes popular picture books, read-alongs, beginning chapter books, and more. Follow this link to see how easy it is to check out a book:

If your child is in Grades 2-5, they will check out books through ClassLink using the OverDrive-Sora app.

Simply log into ClassLink and click on the OverDrive app. You can search for books, check them out, and return them all in the app! Our collection includes popular and best-selling picture books, chapter books, engaging nonfiction, and graphic novels! Follow this link to see how easy it is to check out a book:
